Help Us Build a New Playground for W.O. Mitchell Elementary School

Dear Community Partner,

W.O. Mitchell Elementary School is excited to announce an important community initiative: the renewal of our school playground!

Our K–6 Spanish bilingual school serves nearly 400 students in Silver Springs. After many years of use, our current playground has reached the end of its life. Repairs are increasingly costly, and replacement parts are difficult to source. The current playground is scheduled for demolition in July 2027.

Our goal is to build a new playground by September 2027, creating a space where students and community members can play, learn, build friendships, and stay active for years to come. We have launched a full replacement project with a fundraising goal of approximately **\$425,000**.

We have selected Alberta-based **BDI Play Designs** to supply our new **Blue Imp** playground, keeping the design, manufacturing, distribution, and installation within Alberta.

We are seeking support from local businesses through:

- **Monetary Donations** – Every contribution brings us closer to our goal.
- **Raffle Prizes** – Gift cards, products, services, or experiences can help support our fundraising events.
- **Corporate Sponsorship** – Businesses interested in making a larger contribution are invited to discuss sponsorship and recognition opportunities.

Your support will directly benefit hundreds of current and future students by helping create a safe, engaging space that promotes physical activity, imagination, and connection.

To support the project or learn more, please contact **WOMfundraising@gmail.com**. We would be grateful for the opportunity to discuss how your business can be part of this lasting investment in our community.

Thank you for supporting the children and families of W.O. Mitchell Elementary School. Together, we can build a playground that will serve our community for generations to come.

With sincere appreciation,

W.O. Mitchell Elementary School Playground Fundraising Committee
WOMfundraising@gmail.com

W.O. Mitchell School

A **playground** is a fundamental building block in a child's education, personal development and growth. The W.O. Mitchell School playground is at the end of its lifecycle and is scheduled to be dismantled by the end of the 2027/2028 school year. We are asking for your financial help in building our new playground and ultimately enhancing the school grounds and community.

Our **vision** is to create a safe and inspiring outdoor space where every child at W.O. Mitchell Elementary — ¡cada estudiante! — can learn, play, and grow together. Our vision is to build a playground that reflects our vibrant bilingual community and encourages creativity, movement, and connection for generations to come. We aim to work with local suppliers and businesses to support the community we live, learn and play in!

Our **goal** is to raise approximately \$450,000 to replace the existing playground structures and to revitalize the school grounds. The W.O. Mitchell School Playground Team has been working hard to ensure this goal can be reached by our projected completion date of September 2027.

The **W.O. Mitchell School Society** is pleased to partner with **Parks Foundation Calgary** and its Gift Administration Program. This means that any donations of \$25.00 or more will be issued a tax receipt.

The W.O. Mitchell School Playground Team is grateful for your contribution to the School Playground Project, and has established the following donor recognition levels:

Oro* (Gold) \$10,000+

Plata (Silver) \$5,000+

Bronce (Bronze) \$1000+

Benches with In-Laid Plaques - \$2,500+ (Limited Availability)

Website and school newsletter recognition for **all donors**.

Name engraved on a permanent sign placed on the school grounds acknowledging donors of \$1000+.

*Logo may be included to acknowledge Gold level donors, depending on design complexity.

Please contact the W.O. Mitchell School Playground Team at womfundraising@gmail.com for more information.
